On 12/16/05 (date mailed) we recieved an Office communication: NOTICE OF
ABANDONMENT with respect to the patent cited above indicating that the reason for
abandonment was the applicant's failure to timely pay he required issue fee and
publication fee, if applicable , within the statutory period of three months from the
mailing date of the Notice of Allowance (PTOL-85). And the issue fee and publication
fee , if applicable, was not received.

Doc. 2

The last Office communication we received from The USPTO before 12/16/05 (Notice
of Abandonment (PTOL- 1432) was dated 2/11/2005: " NOTICE OF ACCEPTANCE
OF APPLICATION UNDER 35U.S.C. 371 and 37 CFR 1.495 about the international
application of PCT/ES02/00321 had met the requirements of 35 U.S.C. 371, and was
Accepted for national patentability examination in the United States Patent and
Trademark Office.

As a consequence we never received the Notice of Allowance (PTOL-85).

Doc. 3
As an answer to the communication of 12/16/2005, received on Jan 12th, 2006, and on
Jan 13th, 2006, we sent a fax to The USPT Office in which we mentioned the lack of
receiving of the Notice of Allowance. Inevitably because of not receiving said
communication we could not proceed in sufficient time and way to carry out the
payment of the Issue fee and the Publication fee, if applicable.

As of today we still have not received any notification about the cause or reason for not
receiving the Notice of Allowance.

Doc. 4
(2 pages)
The last notification from The USPT Office is 02/03/06 where the cause of abandoment
of the patent in question is the no payment of the Issue fee. I reiterate that the cause of
the omission of payemnt is due to the lack of communication Notice of Allowance.

WE ASK THAT YOU PLEASE GRANT THIS PETITION AND REMAIL THE
OFFICE ACTION (Notice of Allowance).

ART UNIT: 3749

Jan 12th, 2006:

I have received notification from The USPTO from the examiner LU, JIPING from the ART UNIT 3749; Notification Of Abandonment for reason # 2 (PTOL-85), Applicant failure to pay the required issue fee and publication fee, if applicable, within the statutory period of three months from the mailing date of the Notice of Allowance and the issue fee and publication fee, if applicable, has not been received.

I am surprised because I didn't receive the allowance notification. I don't know what could have happened. My intention has always been to maintain this patent. I would like to know what I have to do in this situation. And my intention is to pay the expenses involved.

I would appreciate it if you can tell me how to resolve this embarrassing situation. Well the motive of not making the corresponding payment has been the non-reception of the notification by The USPTO. I don't know if the responsibility is with The USPTO or The US Mail or The Spanish Mail. But what is sure is that I have never received this notification.

I think it is understandable that if I weren't interested in this patent I wouldn't be in contact with The USPTO.

If you need to contact me please do so at the following telephone 0034-91-650-2475 or fax number 0034-91-650-6355

In any case I would like to speak to somebody about this matter to resolve it as soon as possible. Quite honestly I am very worried about the situation.
